

5th GRADE BAND UPDATE

Dear parents of 5th grade band students,

It is time to start 5th grade band! The past few weeks have been spent completing the first few steps in the process of joining band. We have met with your students to complete the Selmer Aptitude Survey, discuss survey results and help them to select an instrument that will be a good fit for them. To complete the final step in the process, we need YOU! :)

Your student has been given two documents to bring home to you. The first is where you can find FAQ, basic band info and the instrument that has been recommended for your student. The second is a colored flier that has more detailed information about getting an instrument through Marshall Music. Please read through them to get all the band information that is needed.

We will have a **5th grade band parent informational meeting** on **Thursday, Sep 30, 2021 at 6PM** in the **Owosso Performing Arts Center (PAC) auditorium**. At this meeting we will do a brief presentation about 5th grade band basic information found in the fliers. Parents in attendance will have the opportunity to talk with the directors and ask any questions that they may have. Though we cannot do a traditional rental meeting due to Marshall Music's limitations caused by COVID, we can help you through the process for renting an instrument. Please note that this meeting is optional. If you feel that attending would be beneficial for you or your student, we look forward to seeing you there. If you feel that you are all set to start band and do not need assistance at this time, please do not feel obligated to attend.

Looking forward to a fantastic year of 5th grade band!

Sincerely,

Owosso Band Directors
